

Well it is that time of year again. Time for School. I pray that this will be a great year for each of you. Remember all of the scripture verses we have learned this summer. I know God will bring them back into your mind to give you encouragement and endurance for each day.

We will have a back to school fellowship on Saturday, August 12th. We will leave the church at 3:45 and will go out to eat in Lafayette before going to Epic Entertainment. It will cost \$15.00 for Epic Entertainment and about \$10.00 for supper. We will have unlimited play from 6:00-8:00. You will need to fill out a waiver online for the climbing before we go. We went to this venue about 5 years ago and had a great time. I hope you all will be able to make it.

Hope to See you Sunday.

Love in Christ,
Bro. Paul

AUGUST 2023

Hello Church Family!

I trust the Lord is blessing each of you and you are anticipating the cooler weather of the Fall. I know it will be welcomed whenever it gets here. I gotta say, our crew has adjusted pretty well and in some ways kinda enjoy the warm weather and the longer days of summer. It has meant many memories and valued time together in the evenings, that cold sweet tea is just that much better!

If you will notice on your calendar it's going to be a busy month. The special called Business Meeting will focus on the needed repairs to our roofs and the first stage of the update to our preschool building. We have completed the negotiations with the insurance company and I will soon have all the info to bring to the church for us to vote to carry out said repairs. The first phase of the remodel should be included by the insurance which is lowering the ceiling in the preschool building and replacing the acoustic tiles with sheetrock ceilings. I should have bids for the walls, floors and a remodeled entrance area soon which will be phase two. We will work at the speed of God's provision and our faithfulness.

As excited as I am for Fall, I would encourage each of us to stop and consider what a great summer the Lord has given us. So many good things have come to pass for our families and for His church. A new season will soon be upon us, may it be met with increased expectation, increased faithfulness and increased blessings!

For the glory of our Great God and King!

Eric Green
